Junior Indoor Cricket - Friday 24th June 2022<sup>v1.1</sup>

Please check the website each Friday in case there is any late breaking information.

Please make sure your next batters are ready to go in when the previous batting pair finishes. Can you let bowlers know in advance that they are bowling the next over.

Please make sure your team is ready to start on time. Teams may be directed to bat or bowl first so games can finish in the allocated time. If games start late, then **balls per over will be reduced** to complete the game on time.

**NO GAMES 1st, 8th & 15th July due to holidays. Back on 22nd July.**
